

# The College Advisor Newsletter Kit

## Ordering Information for High School Edition

Create a whole year's worth of college counseling newsletters with the **College Advisor Newsletter Kit**. Each kit includes enough content for ten monthly issues. You are licensed to use the existing articles as is, or to modify them to best fit your school's needs. Use our masthead, or create your own; the newsletter will appear as if you wrote it entirely yourself.

By signing the agreement below you acknowledge that this is a non-exclusive, non-transferable license that permits you to make copies of these articles for distribution only to your own school population, prospective students, and their families.
